Print for homeless

Call 988 Android for landline number: 808-832-3100 (use like 911 any business cause it's for

Crisis Su**ide line) they will be with you in 45 min to an hour and call Honolulu Core for you (808) 768-2673 a law harm to self forcing homeless to see a psychiatrist and housing them via a program called MH-3.

forcing homeless off streets puts some on path to healing and are all housed.

Due to a law harm to self homeless are involuntarily taken off the streets to see a psychiatrist (don't take the diagnosis for bipolar, running thoughts or schizophrenia which is hearing voices, because the meds for that called neuroleptic genera is sore. If anything take the diagnosis social anxiety and the meds for that is less sore.

Hawaii's MH-3 program forces treatment, offers willing participants path to housing

Six would not go willingly and had to be handcuffed and driven in patrol cars to the treatment facility.

Crisis teams use new law to get mentally ill homeless into treatment on Oahu

Pilot program allows involuntary transport to mental health facilities with law enforcement backup

The hotline number for Honolulu CORE is (808) 768-2673

- Hawaii News Now on a new program called MH-3

May 13th 2026

The Role of the CORE Team

During an MH-3 deployment, the Community Outreach Response and Engagement (CORE) team acts as the primary medical and social support arm alongside Honolulu Police Department (HPD) ask for CIT Officers CIT means Crisis Intervention Team officers:

The hotline number for Honolulu CORE is (808) 768-2673. If you see someone in a non-violent mental health or homelessness crisis who needs assistance on Oahu, you can call this direct line.

Impact and Reach: As of late summer 2026, the program has assisted roughly 150 individuals across Oahu, with more than half remaining off the streets in transitional housing or respite centers (such as Aala and Leahi) rather than being taken to jail or emergency rooms.

The Role of the CORE Team

During an MH-3 deployment, the Community Outreach Response and Engagement (CORE) team acts as the primary medical and social support arm alongside Honolulu Police Department (HPD) Crisis Intervention Team officers:

Involuntary Transport Authority: Backed by Act 219 (Senate Bill 1322), the program allows trained crisis intervention officers or medical professionals to involuntarily transport individuals for an emergency psychiatric evaluation if they pose a danger to themselves or others and refuse voluntary help
